

**Dr. Sharon Rodriguez** is the Campus President of Chamberlain University, Miramar Campus and has over 35 years of nursing and leadership experience.

She obtained her Bachelor of Science in Nursing from Adventist University of the Philippines, her Master of Science in Nursing specialization in Nursing Education from University of Phoenix and Doctor of Nursing Practice-Executive Leadership degree from American Sentinel University.

Her clinical and leadership experiences include Peri-operative, Telemetry, Critical Care and Emergency nursing. She served as Director of Education, Director of Risk and Quality Management, Corporate Dean of Nursing, Nursing Program Chair, and Assistant Administrator of a hospital in South Florida. She has taught both prelicensure and post licensure nursing programs. Her passion is educating nursing students to be the best version of themselves.

Her family are all health care providers. Her husband is a Physician, and two daughters are nurses who graduated during the pandemic and are successfully working in the hospital. While not at work, she enjoys spending time with her family, traveling and gardening.
