

Dr. Shushanne Wynter-Minott, DNP, APRN, FNP-BC, is a nurse leader, entrepreneur, educator, and an advanced practice nurse with over 25 years of nursing experience and has worked in many nursing capacities in Jamaica, the United Kingdom, the U.S. Virgin Islands, and the United States. Dr. Wynter-Minott specializes in nephrology and internal medicine. She wears a variety of hats in her field, including doctor of nursing practice, nurse practitioner, director of nurse practitioner education, clinical documentation specialist, primary care provider, nephrology care provider, speaker, publication author, and adjunct faculty for the nurse practitioner/doctor of nursing practice program.

Dr. Wynter-Minott is actively involved in numerous professional organizations and supports 12 American Nephrology Nurses' Association (ANNA) Chapters and is a former President of the South Florida Chapter of ANNA. She loves to share her expertise to empower nurses and nursing students to win in their careers, education, health, and life. Dr. Wynter-Minott mentors and precepts nurse practitioners and nursing students, authors in peer review journals, speaks on Nephrology subject matters and has presented at many conferences.

Always putting God at the center of her life, Dr. Wynter-Minott lives by the biblical motto: "Let your light so shine before men, so that they may see your good works and give glory to your Father in heaven." ([Matthew 5:14-16](#)). She loves her career because she believes it is her calling from God. She is passionate about life, people, service, and love.
