About me

Sharon Addison, RN is a sought after speaker and business strategist. She supports her clients with systems and strategies to optimize their businesses to multi-six figures and beyond.

Known as RN2CEO coach, she supports high achieving nurses who seek freedom and flexibility, create an extraordinary and prosperous business around their lifestyle.

Supporting causes that will create life changing impact, she volunteers on medical missions in the Caribbean and supports clean water projects in Ghana West Africa.

Addison is also a Board Certified Coach and holds a Honorary Doctorate of Divinity and is looking forward to completing her MBA in Health Care Management.
