

## Meet Your Favorite Nurse!

### **Andrea Rackley, RN-BSN** Assistant Nurse Manager Critical Care/Intensive Care

*Andrea Rackley*  
Registered Nurse

Mrs. Andrea Rackley has a great love for people!

In fact, she has dedicated her lifework to the care of adults of all ages, races, creeds, and health conditions and takes great pleasure in assisting them back to a place of physical and spiritual health and wellness.

Andrea is a Registered Nurse and an Assistant Nurse Manager who has years of clinical experience in both Cardiac Care and Critical Care where patients require aggressive treatment to save lives. As a certified Clinical Preceptor, Nurse Andrea trains and mentors nursing students and new graduate nurses at her current place of employment and is delighted to see growth in nursing judgment and critical thinking.

There is a duality to Andrea in that she occupies leadership in the area of healthcare and in the Faith-based community. It is the heart of Andrea to see the Church and the community at large achieve balance and healing through hope & health promotion for better quality of life and to fulfill their God-given purpose in a healthy way!

Minister Andrea Rackley is married to Executive Pastor Dr. Michael Rackley and they share two beautiful daughters. She is the Chief Operating Officer of The Thriving Church Consulting Group, LLC where her and Dr. Rackley are independent Church Consultants who practice among local churches and Pastors and church leaders to usher them back to a place of spiritual health.
