

Dr. Erika Yates

DNP, NE-BC, CPC, ELI-MP

Dr. Erika Yates is a seasoned healthcare professional with over 25 years of experience, including leadership roles in nursing and hospital operations. She holds bachelor's, master's, and doctoral degrees in health sciences and nursing, and founded Enhance Enterprises Coaching and Consulting in 2019 to empower individuals, particularly minority female leaders, to optimize their personal and professional growth.

Dr. Erika Yates is also a health and wellness expert. Currently, she serves as an adjunct professor at Florida Atlantic University's Nursing Program.
