

Dr. Farah Laurent

DNP, RN, NEA-BC, NPD-BC, CPXP

Dr. Farah Laurent is a dynamic force in nursing, a global thought leader, and the unapologetic powerhouse behind Nurses Making Business Moves™. As the founder of Farah Laurent International Nurse Coach LLC, she is redefining what it means to thrive as a nurse on your terms.

Whether you're a new grad or a seasoned professional, Dr. Laurent delivers the mindset shifts, personal branding strategies, and career growth game plans that help nurses land six-figure roles, launch successful businesses, and finally break free from burnout and mediocrity. Dr. Laurent helps nurses recognize their brilliance and build empires that generate wealth! Her impact has reached thousands globally, and her mission is non-negotiable: to help nurses build, brand and bank.

A former emergency nurse turned executive and brand strategist, Dr. Lauren's superpower lies in fusing career coaching with fierce innovation. She's helped over 100 new nurses break into competitive specialties and empowered countless others to become sought-after consultants, coaches, and thought leaders. She is the host of the Nurses Making Business Moves™ Conference, author of Nurses Making Money Moves, and the vibrant voice behind The Nursing Dose with Farah podcast and LinkedIn Live show. She has been featured in media, radio and television such as the Jennifer Hudson show. When Dr. Farah hits the stage, expect fire, and leave with clarity, courage, and the blueprint to level up.
