

**Lisa Campbell**  
MHA, BSN, RN, NC-BC

Lisa Campbell is a highly accomplished and well-respected leader, serving AdventHealth for the last 22 years. During this time, she has served in several leadership and clinical education roles, currently serving as Director of Healthcare Leadership Programs in the Leadership Institute, where she is fulfilled by her love to seeing others develop as their best selves in leadership.

Lisa previously served in executive nursing leadership in one of the largest divisions within AdventHealth. In this capacity, she has led initiatives focused on quality improvement, regulatory readiness and policy management, change management and innovation, and forming and galvanizing cross-functional teams to lead strategic transformation.

Throughout these experiences, she has witnessed firsthand the profound impact of strong leaders who love and support their teams. Her passion for contributing to the growth and development of highly impactful and inspirational leaders is a core principle of her personal mission.

Lisa Campbell holds a Master of Science degree in Healthcare Administration (MHA) and a Bachelor of Science degree in Nursing, both from AdventHealth University. In addition to being a certified Executive Coach, she is also a certified Nurse Coach by the American Holistic Nurse Credentialing Corporation, and has authored her first book, *S.T.A.R.T. with YOU! Self-Care Journal and Planner*.

In her free time, Lisa enjoys exploring diverse cultures, trying new cuisines, reading, traveling, singing, mentoring, and spending quality time with her family. Her family includes her husband, Sherwin, and their two teenagers, Camryn and Bryce.
